AUTO MANUFACTURER/DEALER SPONSORSHIP OPPORTUNITY

Quickly becoming a tradition within the overall Danville d'Elegance weekend of automotive charity events is the annual "Tour d'Elegance" and "Thrill Ride" – a day of driving and camaraderie, where participants make a donation to embark on a scenic drive in their own modern day or collectible vehicles, stopping for lunch at a lovely winery or unique location, and returning in plenty of time to rest-up before the evening gala at the Blackhawk Museum begins. Higher-end donors (drivers contributing a minimum of \$1,000) can enjoy driving several luxury vehicles that have been provided by dealers/manufacturers for the event.

"**Thrill Ride**" participation and sponsorship specifically enables 6-8 luxury manufacturers' participation to create a fleet of high-end luxury/exotic vehicles which can only be driven by those participants providing a substantial financial contribution – with the ability to have a dealer representative as a passenger in the vehicle. *Note – this is a unique opportunity for dealers to gain targeted expanded test drives of several individuals within your high-end demographics, spending quality drive-time with your representative.

Past Thrill Ride participants included Jaguar, McLaren, Maserati, and Porsche and Audi.

We work with our auto manufacturers to make this marketing experience as mutually beneficial as possible.

Dealer placement at the Concours is on a "first come, first choice" basis. Payment must be received to select street placement.
